

Kids Place Lex, Inc.

Funder Recognition & Promotional Materials
LexArts Community Arts Development (CAD) Grant Application

Kids Place Lex does not yet have promotional materials from a prior LexArts grant, as this is the organization's first application to LexArts — previous LexArts support was awarded to Constance Grayson individually rather than to Kids Place Lex, Inc.

That said, Kids Place Lex has an established practice of publicly acknowledging its funders: for every grant-funded program, the organization credits the funder on all related social media posts (Facebook/Instagram), consistent with recognition given to LFUCG and KFW-funded programming to date.

If awarded, Kids Place Lex commits to the same practice for LexArts — crediting LexArts by name and logo on all social media posts, materials, and communications related to this program.
